# WINE ENTHUSIAST<sup>®</sup>

M A G A Z I N E

## BUYING GUIDE

**93** **Tom Eddy 2001 Dr. Crane Vineyard Cabernet Sauvignon (Napa Valley); \$110.** At nearly six years of age, this Cab tastes as fresh and tannic as a far younger wine. Those tannins remain firm and hard, and the blackberries and cherries still have a primary fruit taste. This likely will be one of those wines that takes a long time to show its stuff, but it's richly balanced and satisfying. Odds are this beautiful wine, from a veteran producer, will develop very well over the next ten years.  
*Cellar Selection.*
